PROTESTED NOVEMBER 16, 1923, BY UNITED CATTLE & PACKING CO.  PROTEST OF NOVEMBER 18, by UNITED CATTLE & PACKING CO, WITHDRAWN JUNE 20, 1932  APPROVAL OF STATE ENGINEER
This is to certify that I have examined the foregoing application,
and do hereby grant the same, subject to the following limitations and
conditions.
This Permit is issued subject to all prior rights on
the source. A substantial headgate and wier must be in-
stalled and maintained at or near the point of diversion
to facilitate the measurement and control of water. The
State reserves the right to regulate the use of the water herein granted at any and all times.  The amount of water to be appropriated shall be limited to the amount
which can be applied to beneficial use, and not to exceed 2.00
cubic feet per second.
Actual construction work shall begin on or before October 1, 1933
Proof of commencement of work shall be filed before November 1, 1933
Work must be prosecuted with reasonable diligence and be completed on or
before October 1, 1935.
Proof of completion of work shall be filed before November 1, 1935.
Application of water to beneficial use shall be made on or before
October 1, 1938 . Proof of the application of water to beneficial
use must be filed with State Engineer on or before November 1, 1938.
WITNESS MY HAND AND SEAL this 4th day
Cancelled July 9, 1936 because of failure or of April, 1933
